# Ages 8 - 11

## Dynamos for Children

The Dynamos Cricket programme is an initiative designed by the England and Wales Cricket Board (ECB). The ECB requires all centres to undergo safeguarding, risk and insurance assessments before they are accredited. Alongside this, all Dynamos Cricket activators have received training and are fully checked through the Disclosure and Barring Service (DBS). Dynamos uses soft balls and light wooden bats that allow children to play the game while keeping them safe. Activators have a pack of equipment to support the children when they are learning how to catch, bowl and bat.

## Dynamos for Parents

Dynamos Cricket is fantastic for parents. For 60-90 minutes a week, all mums, dads and guardians are invited to get involved and play cricket with their children. We know this is a great way to spend time with your child and create memories that will last a lifetime. Parent activators (helpers) will support the fully accredited lead activator in delivering the session, supporting and encouraging children as they learn new skills and play a game. You do not need to be a cricket expert to be involved!

# Ages 8 - 16

## NCC HOLIDAY COURSES

### Key Information

Our holiday courses give both budding and established cricketers the chance to develop and enhance their batting, bowling, fielding and wicket keeping skills in a safe, fun and enthusiastic environment. Our aim is that every participant will learn something new whatever their level of experience.

Our holiday courses are led by ECB Level 2 Qualified Coaches assisted by Foundation Coaches who all have a DBS and First Aid Certificates.

### Holiday Courses

We offer courses during the following school holidays:

Easter Holiday Course  
May Half Term  
Summer Holiday Course 1  
Summer Holiday Course 2

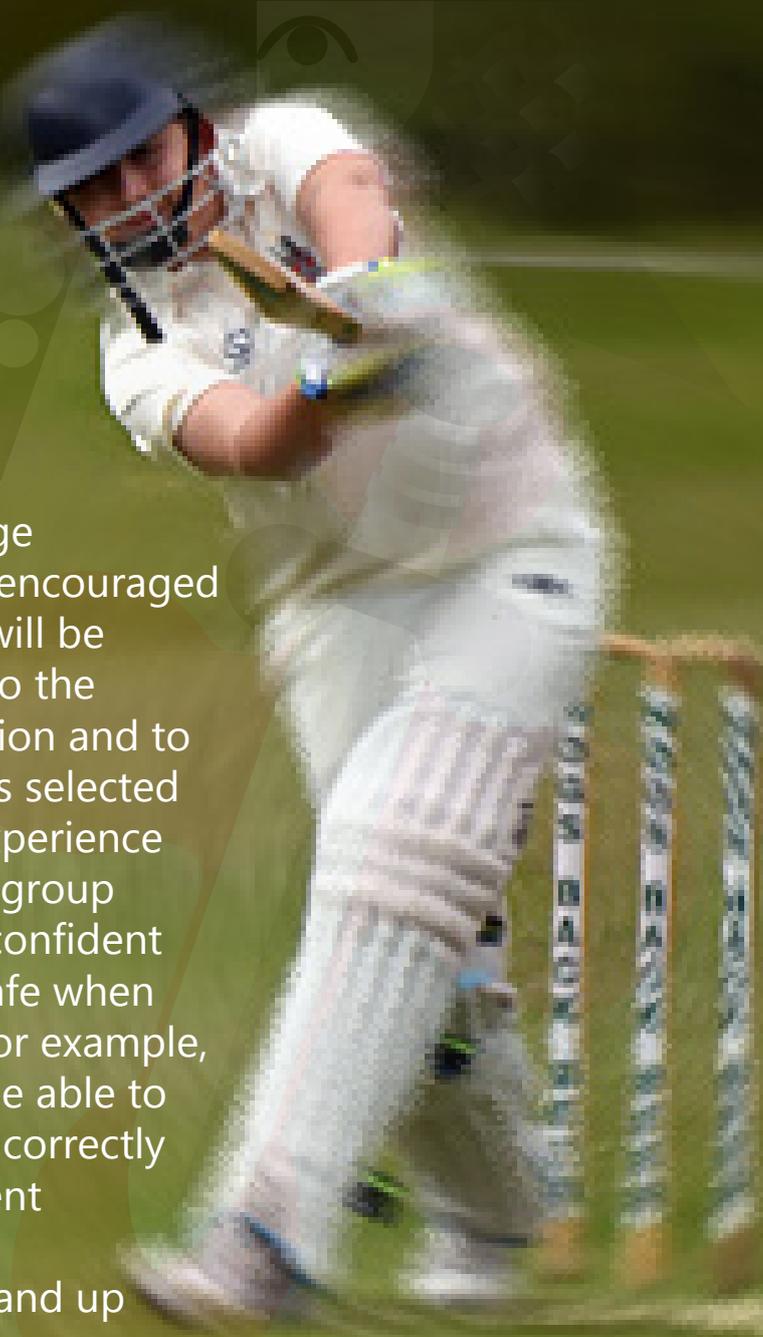

Contact [ncccolts@gmail.com](mailto:ncccolts@gmail.com) for more information or to book a place on one of our holiday courses.

# Ages 8 - 21

## Match Day

We also offer competitive matches where selected players can put the skills they have been developing at training into practice. Teams are selected by the appropriate age group managers and, where necessary in cooperation with the Head of Performance and Development. Age group managers are encouraged to select teams that will be competitive relative to the standard of competition and to ensure that all players selected will gain a positive experience from the match. Age group managers must feel confident that players will be safe when playing in matches; for example, players will need to be able to stop and catch a ball correctly and also have sufficient batting and bowling technique that will stand up to the opposition they are likely to face.

Contact [ncccolts@gmail.com](mailto:ncccolts@gmail.com) for more information about all age group memberships.

# Coaching Ethos

Our goal is to provide high quality coaching in a safe, fun environment for all ages and all levels.

The coaching environment should:

- Be fun
- Challenge players of all levels
- Develop all round skills
- Encourage excellence

Matches give players the opportunity to use the skills they have been developing at training into match conditions. Matches are also used to create opportunities for players to experience different match conditions.

No coach is judged on the matches they win. We are focused on the enjoyment, retention and development of players.

By focusing on these goals developing successful teams and players will be a natural outcome.

We have a clear pathway for players to play senior cricket and with four senior teams we provide cricket for all levels from the more relaxed development teams right through to our successful Premier League Championship winning 1st XI.

Our role as coaches is to develop well rounded players capable of playing senior cricket for Normandy CC.

## Colts Officials

Head of Junior Development - Philip Hodgson

Head Coach - Sam Welfare

Colts Cricket Manager - Sara Job

Club Safeguarding Officer - Chloe Power and Sara Went

Contact [ncccolts@gmail.com](mailto:ncccolts@gmail.com) for more information about All Stars, Dynamos, Holiday Courses and Junior Memberships.

# About Us

Located in a beautifully secluded rural location in the Surrey Hills, cricket has been played in the village of Normandy since 1896, the first colts match being played in 1949 against Wood Street Village. An intimate, friendly, volunteer-run club, Normandy plays cricket at the highest standards whilst welcoming players of all levels at our senior and junior age groups.

Facilities are available for members and guests to use at training sessions, meaning parents can enjoy a relaxed social drink and food from the barbecue on a summer's Friday evening, whilst the Colts are training.

The cricket season runs from Easter until early September, with approximately 125 fixtures being played on our two grounds, across both senior and colts teams. In addition to this, junior colts training sessions run on Friday evenings throughout the season and senior teams train on a bi-weekly schedule.

**All facilities are available for private hire by contacting us at:
